**2008 TURF IPM TWILIGHT WALKABOUT:
 SCOUTING FOR PESTS AND PROBLEMS OF TURF**

Presented by University of Massachusetts Extension

Weds., June 4, 2008 – Stanley Park, Westfield, MA – 5:00-7:00 PM

Join the turf specialists of UMass Extension for a walk through the landscape. This program will involve a first-hand look at some of the most common insect, disease, and weed problems that affect turf, as well as discussion about managing these issues. Learn how to recognize and correct cultural problems, how to match turf species and cultivars to site conditions and intended use, and how to put IPM practices to work efficiently. Dress for walking; workshops are held rain or shine. Bring a clipboard, pencil, and hand lens.

Cost is \$50. Dress for walking; workshops are held rain or shine. Bring a clipboard, pencil and hand lens (lenses will be available to borrow).

Pesticide credit: Two pesticide recertification contact hours will be available for all New England States in category 37, Turf, and category 00, Licensed Applicator.

Enrollment is limited, so register early!

Registration Form: Registration deadline is Monday, June 2. Cost is \$50. Make checks payable to *University of Massachusetts* and mail with this form to: **Turf IPM Walkabouts, UMass Extension, 78 Center Street, Suite 206, Pittsfield, MA 01201.** Registration is limited and first come, first serve.
